Recommended for anyone who's ever had a job.

## JUNE 9-25

With music and lyrics by Dolly Parton and book by Patricia Resnick, *9 To 5: The Musical* is a hilarious story of friendship and revenge set in the 1970s. Pushed to the boiling point, three female co-workers concoct a plan to get even with the sexist, egotistical, lying, hypocritical bigot they call their boss. In a funny turn of events, Violet, Judy and Doralee live out their wildest fantasy – giving their boss the boot! While Hart remains “otherwise engaged,” the women give their workplace a dream makeover, taking control of the company that had always kept them down. Hey, a girl can scheme, can't she?
