## CTA SUMMERSTAGE

**JULY 8-10**

### Rodgers and Hammerstein's Cinderella: Youth Edition

*The timeless enchantment of a magical fairy tale is reborn with the Rodgers & Hammerstein hallmarks of originality, charm, and elegance.*

Originally presented on television in 1957 starring Julie Andrews, *Rodgers & Hammerstein's Cinderella* was the most widely viewed program in the history of the medium. Its recreation in 1965 starring Lesley Ann Warren was no less successful in transporting a new generation to the miraculous kingdom of dreams-come-true, and so was a second remake in 1997, which starred Brandy as Cinderella and Whitney Houston as her Fairy Godmother. As adapted for the stage, with great warmth and more than a touch of hilarity, this enthralling fairy tale still warms the hearts of children and adults alike.

13+ ADULT THEMES.)

Gordon collapses into his lunch and awakes in the hospital, surrounded by his maritime-enthusiast lover, his mother, a co-worker, the doctor, and the nurses. Reluctantly, he had been composing a song for a children's television show that features a frog – Mr. Bungee – and the specter of this large green character and the unfinished work haunts him throughout his medical ordeal. What was thought to be a tumor turns out to be something more operable, and Gordon recovers, grateful for a chance to compose the songs he yearns to produce.
